WHY YOU WILL LOVE
COUNTER SALES FOR BUSINESS CENTRAL.

- Effortlessly **level up your retail sales.** You can seamlessly accept payments locally using a payment terminal integrated into your Dynamics 365 BC payment screens.

- You will love streamlining your ordering, selection, and payment processing in **a single, trusted application.** Plus, Counter Sales BC will save you time by automatically preparing deposits for easy reconciliation behind the scenes and provide real-time payment confirmations.

- Counter Sales is **compatible with a wider range of processors than any other solution.** It connects to most processor payment terminals via web sockets. This allows you to keep your existing payment terminal and **reduce your interchange rates.**

- Since Counter Sales BC uses the order interface from Dynamics 365, your employees only have one screen and workflow to learn. Plus, with its intuitive, native design, experienced users require little instruction—resulting in **reduced training costs.**

HOW YOU CAN
BE UP AND RUNNING QUICKLY.

1
Install the ready-to-go app package.

2
Configure the intuitive payment terminal.

3
Test the payment terminal to ensure connectivity.
