WHY YOU WILL LOVE COUNTER SALES FOR FINANCE & OPERATIONS.

- Effortlessly **level up your retail sales**. Counter Sales enables you to accept payments locally, via a payment terminal, within your Dynamics 365 F&O payment screens. This one-of-a-kind functionality saves time and money while making the transaction more secure.
- Streamline your ordering, selection, and payment processing in a **single, trusted application**. Plus, Counter Sales F&O saves time by automatically preparing deposits for easy reconciliation behind the scenes and provides real-time payment confirmations.
- Counter Sales is **compatible with a wider range of processors than any other solution**. It connects to most processor payment terminals via the web. This allows you to keep your existing processor's payment terminal and **reduce your interchange rates**.
- Since Counter Sales F&O uses the order interface from Dynamics 365, your employees only have one screen and workflow to learn. Plus, with its intuitive, native design, experienced users require little instruction— **reducing training costs**.

HOW YOU CAN BE UP AND RUNNING QUICKLY.

ABOUT RED MAPLE.
